

# Bernalillo Community Center and Outdoor Pool

**Client**

Bernalillo

**Completion**

2006 (Phase III)

**Size**15,332 Square Foot Facility  
2,100 Square Foot Pool**Cost**

\$475,000 (Phase III)

Molzen Corbin completed the Recreation Center for the Town of Bernalillo in three phases. Phase I included a 2,280-square-foot, ADA-compliant multi-use facility, while Phase II included a 13,052-square-foot, ADA-compliant addition with a 9,320-square foot multi-purpose gymnasium that can be used for basketball, volleyball, and indoor tennis. The final phase of the project was a new 2,100-square-foot outdoor pool with accompanying toddler pool.

**Scope of Work**

Architecture, Landscaping, Electrical Engineering, Site Development
