

Mesilla Community Center

Client

Mesilla

Completion

2010 (Phase III)

Size

N/A (Multi-phase Remodel)

Cost

\$330,648 (Phase III)

Molzen Corbin has designed four renovations of the Town's Community Center over the last 10 years. Located in the Old Mesilla Historic District, the facility is an adapted, 97-year-old elementary school constructed in 1915. The historic building houses the senior's programs, head start programs, the Town's teen court, and a large program room.

Scope of Work

Architecture, Electrical Engineering, Site Development
